Memo

At present there are two clerks on Rs 20 and 15 respectively for municipal work in the District office and the D.C. strongly recommends an increase of Rs 5 per mensem to each of them on the ground of the heavy work devolving on them

(2) For the D.F. Branch work in the District office, which is much lighter than that of Municipal Branch there were 2 clerks on 20 Rs and 15 respectively and their pay has been recently raised by Rs 5 each with effect from 1st July 1896 Simla proposal is now made on behalf of Municipal, ~~work~~ clerk, whose duties are much heavier than those of the Local Fund clerk. ~~For~~ In consideration of the measure,

accounts that had to be
maintained in the Destrict
office, the late Mr Shyest-

Dy 24/4/94

There are fourteen municipalities in the Bangalore Dt. excluding the City municipality and in the Mysore Dt. there are 18 municipalities. The work is almost the same & in point of salary regard to the establishment sanctioned for Mysore*, the Dy Comr's proposal to give 5 Rs to each of the two municipal clerks is just. They now draw 20 & 15 & they will draw if proposal is approved 25 & 20.

30/4/96.

If the work is
so heavy that 2 Clerks
find it difficult to
do it expeditiously,
why not the employ-
ment of an addl Clerk instead
of Extra and casual
help from outside hands?
Else, why not employ
an addl hand on Rs
10 or 15 instead of
many men —
pay the Clerks?

Sir,

In reply to Government Order No 12327/386-92 dated 7th Instant, I have the honor to state that in my humble opinion not only the quantity but also the quality of the work turned out in the District Office should be kept in view. In these days of high wages, a man on 10 Rs cannot be expected to be very intellectual, especially as the higher menial servants are paid more. The Municipal accounts and transactions are getting more and more intricate, and considering the

8

number of minor Municipalities in this District, whose affairs are supposed to undergo scrutiny in the District Office, it is indispensable that the Clerks entrusted with the work should be men above the plane of menials.

2. Entertaining these views, I beg again to commend the increases proposed in my letter No. 1022 dated 21st April 1896 to the favorable consideration of Government.

I have the honor to be,
Sir
Your Most Obedient Servant,

[illegible]

The Dy Commr., in his letter of 21st April 1896, No. 1022, represented that the work was always in arrears, altho' the two Municipal Clerks worked extra hours and at all times of the day. What the Dy Commr. now proposes is merely an increase of Rs 5/- to each of the Clerks. This would not prevent accumulation of arrears. It is neither expedient nor necessary to overwork subordinates in Govt. service. ~~The Govt would gladly increase their pay if necessary, but~~ Before doing any orders on the proposed increase of Pay,

~~So~~, Govt would wish to be informed whether the work is such, as could be done efficiently and expeditiously by only two hands.

Sir,

With advertence to Government orders as per margin, I have the honor to report that the arrears in the Municipal work of this Office have been brought up, and respectfully to request that my recommendation for slight increases to the Municipal Clerks may now receive the favorable consideration of Government. The extra cost (Rs 10 a month) is not much and will instil into the Establishment a spirit of cheerfulness and zest in the disposal of the daily work.
